

PRODUCT DATA SHEET

PRODUCT NAME: Graphite Penetrating Oil

PRODUCT CODE: FF102

DESCRIPTION

FF102 is a powerful solvent penetrating formula reinforced with molybdenum-disulphide. The Mos2 reduces friction and bonds to metal surfaces, aiding in releasing seized parts and helping prevent future galling and seizing.

BENEFITS

- **Fast acting**
- **Prevents future galling and seizing**
- **Low odour**
- **Allows parts to be re-used**
- **May be used as an assembly lube**

FF102 incorporates a unique reduction system, reducing emission of solvent vapours. With the addition of Mos2 it provides a beneficial surface filling effect and friction reduction, improving component smoothness and allowing easier assembly and disassembly.

APPLICATION

FF102 can be used for different releasing applications where components must be protected and re-used. Mos2 provides long-term anti-seize protection after reassembly.

APPEARANCE/ODOUR

Mobile, grey/black liquid, faint solvent type odour.

COMPOSITION:

FF102 is a proprietary blend, which includes Mos2. It incorporates a sophisticated vapour pressure reduction system, which greatly reduces solvent odour levels without affecting its performance.

STORAGE AND HANDLING

Please use standard aerosol precautions as detailed on the product. Store in a cool, dry place away from heat and open flame. Refer to Material Safety Data Sheet for more detailed information.

LIMITED WARRANTY MDS Europe Ltd makes the Limited Express Warranty that at the date of delivery, this product shall be free from defects in MDS Europe Ltd. materials and workmanship. This limited Express Warranty is in lieu of any other express or implied warranties, including any implied warranty of merchantability or fitness for a particular purpose, and of any other obligation on the part of MDS Europe Ltd. The sole remedy for breach of the Limited Express Warranty shall be the refund of the purchase price. All other liability is negated and disclaimed, and MDS Europe Ltd. shall not be liable for incidental or consequential damages.
