

PRODUCT DATA SHEET

PRODUCT NAME: Food Grade Water Displacement lube

CODE: FF163WD

- Rapidly displaces water from electrical components and metals.
- Frees seized and tight nuts bolts etc.
- Colourless and odourless
- Fully Synthetic Lubricant
- InS H1 Registered (USDA H1)
- Conforms to FDA specifications (USDA H1)

USES

Food Grade Water Displacement lube is formulated for use in food and pharmaceutical factories where odour and contamination have to be eliminated wherever possible, FF163WD meets these requirements and is particularly suitable for use on electrical circuitry and metal components to dispel and protect from ingress by water and moisture. FF163WD is also ideal for releasing tight or seized nuts, bolts and screws etc.

DIRECTIONS

Apply a light film onto surfaces requiring protection. As a release fluid; remove any paint etc. Apply directly to screw thread. Allow time for product to gain maximum penetration.

CAUTIONS

This product is recommended for use where incidental contact with food may occur. Registered by INS (Class H1) and NSF (Class H1) and meets the USDA H1 guidelines (1998) for lubricants for use where there is a potential for incidental food contact.

Made only from substances permitted under the US FDA Title 21 CFR 178.3570, 178.3620 and/or those generally regarded as safe (US 21 CFR 182) for use in food grade lubricants.

To comply with the requirements of US 21 CFR 178.3570, contact with food should be avoided where possible. In the case of incidental food contact, the concentration of this product in the food must not exceed 10 parts per million (10mg/kg of foodstuff). In locations and/or applications where local legislation does not specify maximum concentration limits, it is recommended that this same 10 ppm limit be observed, as up to this concentration FF163WD will not impart undesirable taste, odour or colour to food, nor will cause adverse health effects.

Consistent with good manufacturing practice, use only the minimum amount necessary to achieve desired lubrication result and take appropriate corrective action should excessive incidental contact with food be detected.

All ingredients are FDA listed **Food Grade Water Displacement lube** is INS H1 Registered and meets the USDA 1998 H1 guidelines

This product contains no nut derived, soya or genetically modified ingredients.

LIMITED WARRANTY MDS Europe Ltd makes the Limited Express Warranty that at the date of delivery, this product shall be free from defects in MDS Europe Ltd. materials and workmanship.
